

DEPART CONFERENCE 3 PRIMARY HEALTH CARE SERVICES AND ACCESSIBILITY FOR ROMA CITIZENS

Koprivnica, 15th March 2017

Recommendations

Recommendation on Roma integration measures in public health:

- Reduce the gap in the health status of Roma and the majority population.
- Ensure availability and quality of routine physical.
- Install educational activities focused on the enlightenment regarding dental care, the awareness on sexual and reproduction behavior and the prevention of drug addiction.
- Ensure a proper access to healthcare in order to speed up Roma integration
